Buford Youth Football Association Application for Scholarship

The Buford Youth Football Association shall provide scholarship funds in 2025 toward the education costs at an accredited college, university or technical school. The award will be paid directly to the recipient and or the school. Awarded funds amounts may vary.

Our objective is to recognize and award outstanding student leaders. The BYFA Board will consider all criteria including academic ability, performance, extracurricular activities, awards and work experience. Leadership abilities will be a consideration in awarding this scholarship.

Any Buford High School senior who played football with the BYFA for at least one season may compete for these funds. Any student receiving a full scholarship is NOT eligible.
